please find all information and your contact at your home university online soon!

Credit 
5 ECTS including initiative workshops and postprocessing
at your home university

www.hcu-hamburg.de/biss 

**GDAŃSK UNIVERSITY
OF TECHNOLOGY**

FACULTY OF ARCHITECTURE

Workload

Credits

5 ECTS credit for the successful attendance

Including preparation and postprocessing at the home university.

5 ECTS equals **150 hours** of work and participation:

- ca. **78 hours** attendance at the Summer School in 9 days
- ca. **72 hours** preparatory presentations and postprocessing

**GDAŃSK UNIVERSITY
OF TECHNOLOGY**

FACULTY OF ARCHITECTURE

Workload

Preparation

Preparation before the Summer School at the home university

- guest students:

The guest prepare small **presentation** showing significant buildings, constructions and bridges from their home countries/cities.

The result will be presented during the Summer School (**prefabricated layout**).

- every student:

The student analyse their own tools and methods in creative work and show them on a poster using sketches, drawings, models, photographs, texts (**prefabricated layout**) .

Workload

Postprocessing

Postprocessing after the Summer School at your home university:

- Participation in the final documentation.
- The entire group of students will process a **documentation** containing the outcome of the BISS. It will sum up all provided projects as well as personal reports.
- The sophisticated documentation will serve as a personal and university **reference**.

A **certificate for participation** will be handed.
